IMPRESSIVE OBSERVANCE IS
PLANNED BY PATRIOTIC
ORDERS OF CITY

Committees from G. A. R. and American Legion Posts, Sons of Veterans Camp, W. R. C. and Women's Auxiliary of the American Legion, met Monday night and formulated a program for the observance of Decoration Day next Monday, May 31st.

The parade will assemble at Colorado and Brand, ready to begin the march to Forest Lawn cemetery at 1 o'clock p. m., with Comrade Taylor as Grand Marshal. All civic, fraternal and religious organizations of the city are urged to participate in this parade and the later exercises in honor of the dead heroes of all wars in which American soldiers and sailors have fought. The program at Forest Lawn Memorial Park will be as follows:

BLAZING PALM TREE CALLS OUT FIRE CHIEF

Fire Chief Lankford made a quick run in the red car early this morning to North Brand, where in the parkway to the vacant lot just north of A. W. Besch's home he found a tall palm tree blazing. The "petticoat" of dead leaves that hang down from these trees had caught fire, supposedly from a cigarette stub, and the blaze had ascended to the very top, so it was necessary for one of the engines to make a trip up there, lay hose and direct a stream of water on to the flames. Chief Lankford says he gets a call about once a year to this kind of a fire and generally to this same row of palm trees.

COMMERCIAL WIRELESS

Fred Deal, Manager of the local Telephone Exchange, is quite proud of the fact that one of his staff of workers, Mr. Glasscock, of the switch board, has been selected by the Division Office of the Company to install the first commercial wireless system to be installed and tried out in the United States. It will run between San Pedro and Catalina and on the results obtained will depend the policy of the company in extending that kind of service.

FAMILY REUNION

RELATIVES AND FRIENDS GATHER AT HOME OF MRS. W. S. PORTER IN CASA VERDUGO

The Porter place, which has been so quiet for months past owing to the ill-health of Mrs. Porter, was enlivened by a visit of a number of the members of the family, on Sunday last. Mrs. Porter, though not permitted to go down stairs, was very happy to be able to see them all—in detachments—in her room.

James D. Towsley, the cashier of the First National Bank of Santa Barbara, and his wife, also William S. Porter, President of the Santa Barbara Guaranty & Abstract Co., and his sister, Rebecca N. Porter, all motored down Saturday afternoon for over Sunday. Then the Seymour Thompsons, and mother, came over from Beverly, and after church, joined the family party.

Miss Rebecca Porter was the center of the circle this time, as her first novel has just come out, and is very interesting, and the family are justly proud of her achievement. She has been writing short stories ever since her Berkeley days, so is not unknown as a younger writer, but her book, "The Girl from Four Corners," has brought her more into the notice of literary people and critics, who are giving her much favorable attention. Her publishers, Holt & Co., New York, predict a future for her, say her book is selling rapidly over the East, and they want her to be ready with her next—as speedily as possible.

WEATHER FORECAST: Fair to night and Thursday.

GAINS RECOGNITION

SOUTHERN BRANCH U. OF C.
OVERCOMES HANDICAP OF
LOCATION

Rhuark Dudley of Glendale is one of a committee of five appointed by the Ball and Chain Society of the Southern Branch U. of C., which now occupies the former Normal buildings and site on North Vermont in East Hollywood to eradicate all signs of the previous occupancy. The word "Normal" has been stricken from the names of garage, court, pharmacy and hall and either "University" or some other distinctive qualifying term substituted, while the city council has been petitioned to change Normal avenue to Millspangh avenue. The U. of C. students and faculty have been compelled to wage an earnest fight for months to obtain recognition of this branch of the University, which, for some unexplained reason, has been slighted and ignored ever since its establishment in the Southland. For a long time not a street car had the U. of C. sign on it and Los Angeles policemen when interrogated professed ignorance of its location. A change has been gradually brought about in the last few months by indignant students, some of them from Glendale, who have keenly resented this attitude of the big city, which, far from feeling a pride in the new educational asset, seemed to be indifferent.

CHAPTER A. H.

Chapter A. H. of the P. E. O. met Tuesday at the home of Mrs. Hal Davenport on South Glendale avenue, the assisting hostesses of the day being Mrs. Andrew Stephenson, Mrs. Charles Turk and Mrs. Chas. Barker.

A delicious cafeteria luncheon was enjoyed at noon, the floral decorations for the feast consisting of baskets filled with Shasta daisies and Scotch broom in deference to the yellow and white colors of the order. At the business session Mrs. R. H. Kimball of Garfield avenue was initiated. About nineteen were present and Mrs. Dwight Stephenson was a guest at the luncheon.

At the afternoon session, Mrs. William Wattle, president of the chapter, and Mrs. Charles Turk gave a report of the State Convention held last week which they attended as delegates.

THREE MORE ROBBERIES REPORTED

Three more robberies were reported to the police yesterday, all of different characters. Mrs. Vincent Titman of 325 West California reported that a very valuable bundle of laundry which she had put out on the front porch Monday evening, as was her usual custom, to be called for about dark, was taken. Harry Hooper of 1429 East Colorado had two suits and a gold watch, Hamilton make, stolen from his home yesterday afternoon. But the most remarkable theft was that of a 1½-ton White truck owned by Tony Giardin of 1425 East Adams street, Los Angeles. He was picking lemons along East Colorado and had left his truck standing by the curb. When he came out to get more boxes, it was gone and up to last night he had found no trace of it.

MUSIC COURSES

STATE TEACHERS' ASSOCIATION
STANDARDIZING CURRICULUM
AND CREDITS

Mrs. Dora Gibson, head of the Music Department of Glendale High, who is a member of the executive board of the State Teachers' Music Association, reports that the organization is doing a good deal of constructive work just now towards standardizing courses of music and credits for courses in the public schools. She has just been appointed chairman of a committee to standardize credits and to decide on the length of time to be devoted to the different branches of study in music departments in public schools. Other members of the committee are from the grammar, intermediate and high schools of Los Angeles city. She has served on three committees of this kind and is therefore familiar with the work which requires a great deal of time as the recommendations are based on reports of work done in the different schools; but she feels she has been repaid for the effort because she has obtained such a good insight into what other schools are doing which the better enables her to maintain the standards of her department here.

RULING ON LEVER ACT

FEDERAL JUDGE ANDERSON DECLARES SECTIONS 4 AND 26 ARE UNCONSTITUTIONAL

(Special Service to Glendale Evening News)

INDIANAPOLIS, Ind., May 26.—Declaring sections 4 and 26 of the Lever Law unconstitutional; Federal Judge A. D. Anderson today sustained a motion to quash thirteen of the eighteen counts in the indictment charging 125 coal miners and operators with the violation of this law.

The court upheld the constitutionality of Section 9 and overruled a motion to quash five counts returned under it.

Anderson declared that the Lever Act is "arbitrary, discriminatory, objectionable and class legislation." Under the ruling the cases will not be dismissed but the majority of the eighteen counts will not be pressed.

Section 9, specifically upheld by Judge Anderson and on which five of the counts were based, forbids the calling of strikes among mine workers and the closing down of mines.

Section 4, held to be unconstitutional, prohibits the charging of unjust or excessive rates and prices. This section was added to the law last summer in an amendment framed by Attorney General Palmer.

Section 26 prohibits combinations formed to limit supplies in the necessities of life. Farmers, however, and farm co-operative societies are excepted from the operation of this section.

RIOTING IN IRELAND

MANY COURT HOUSES AND OTHER GOVERNMENT BUILDINGS DESTROYED BY SINN FEINERS

(Special Service to Glendale Evening News)

LONDON, May 26.—Following threats to burn or raze every government building in Ireland, Sinn Feiners last night attacked and destroyed buildings in many districts, according to dispatches received here today. Most of the attacks were in the south and west of Ireland. The court house of Waterville, 75 miles south of Cork, was completely destroyed by fire. The court house at Cloyne, 18 miles east of Cork was also totally destroyed. In Dublin the offices of the Department of Agriculture and offices of the City Corporation were burned.

Rankon Barracks and the Coast Guard Station near Dublin were also attacked and although they were stoutly defended, their supporters were overpowered and the buildings burned.

A party of more than 100 armed men attacked the police barracks at Laghtgeorge, 10 miles north of Galway. It is estimated the total damage will run into tens of thousands of dollars, and the number of men participating in the various attacks throughout Ireland is placed at more than one thousand.

PALMER'S CAMPAIGN FUND

ATTORNEY GENERAL'S CAMPAIGN MANAGER TESTIFIES
BEFORE SENATE INVESTIGATING COMMITTEE

(Special Service to Glendale Evening News)

WASHINGTON, May 26.—C. C. Carlin, Attorney General Palmer's campaign manager, appearing in the Senate campaign fund investigation, today submitted a detailed account of Palmer's receipts and expenditures. Among the contributors were Joseph Duffey, a Pittsburg oil man, \$10,000; Frank L. Crocker, of New York, \$5000; Francis P. Garvin, Assistant Attorney General, \$1000; Judge H. Covington of Philadelphia, \$2000; and John F. Crosby, of Hartford, Conn., \$1000.

Carlin said he did not know federal officials or Department of Justice employees were working for Palmer.

Senator Kenyon questioned him at length regarding steel companies being forced to make restitution under the income tax law when the government claimed it was defrauded of \$9,000,000. Carlin said that President Dupuy of the Crucible Steel Company for whom he is personal counsel, faced a claim from the government of \$3,000,000 as income tax and penalty. Palmer was not consulted about the Dupuy case, Carlin said.

CHRISTIAN SCIENCE CONTROVERSY

JUDGE PIERCE OF SUPREME COURT DISSOLVES INJUNCTION AGAINST "HARNEY GROUP"

(Special Service to Glendale Evening News)

BOSTON, May 26.—Judge Pierce in the Supreme Court here today, declared dissolved the temporary injunction against the so-called "Harney group" restraining them from interfering with the business of the Christian Science Publishing Society.

FOOD PRICES LOWER IN CHICAGO

PRICES OF FRUIT AND VEGETABLES REDUCED FROM FIVE TO THIRTY-FIVE PER CENT

(Special Service to Glendale Evening News)

CHICAGO, May 26.—Food went to lower prices here today and commission men predicted the decline will continue as summer advances. Staple vegetables and fruits have fallen from five to thirty-five per cent.

SOUTHERN ORATORICAL

JACK JENKINS TO COMPETE
WITH CHAMPIONS OF SEVEN
OTHER SCHOOLS

Jack Jenkins, winner in the inter-class oratorical contest at Glendale High, will represent the school in the All Southern California Oratorical Contest, which is to take place Friday evening in the auditorium of the Los Angeles Intermediate in what was formerly L. A. High School on the hill. Other high schools to compete are: San Diego, Long Beach, Pasadena, Manual Arts of Los Angeles, Hollywood and L. A. High. Glendale High is the smallest school represented, all the others having 2000 or more students. The winner in this contest will be the champion of Southern California. Two years ago that honor was won for Glendale by Clarence Ralston, and the silver cup with which the University of California rewards the winner came to Glendale. Pasadena took it away last year. When it has been captured three times by any school it becomes the permanent possession of that school and meantime the names of the various winners are engraved upon it.

A large delegation of Glendale High students will go to Los Angeles Friday night to enjoy the contest and root for their representative, Jack Jenkins.

MOVING TO SAN FRANCISCO

Mr. and Mrs. Norton C. Wells of 1999 Vassar street, this city, are disposing of household effects and moving to San Francisco the last of the week. It was their home before they came to Glendale and is still the home of Mr. Wells' mother, who is quite elderly and who wishes them to be near her. Mrs. Wells says that is their chief reason for making the change, although they have many friends in the northern city who will welcome them. Their home has been purchased by Mr. McKee, a restaurant man, who, they understand, will occupy it as a home. Mr. and Mrs. Wells have been residents of this city for a number of years. They have been boosters for the town and ready to help with every good cause. Mr. Wells was the first president of the Greater Glendale Development Association and an active worker in the organization. He and his wife will be missed in the community.

PENNSYLVANIA PICNIC

All Glendale residents who claim the Keystone State as their former home will be interested in knowing that the Pennsylvania picnic will be held in Sycamore Grove on Saturday, May 29th, all day and evening, with basket lunch at noon.

INTERMEDIATE PARTY

BOYS AND GIRLS OF FIRST M. E.
SUNDAY SCHOOL ENJOY
HARD TIMES FUNCTION

A jolly good time was the order of the evening in the social hall of the First Methodist Church of Glendale Tuesday night when the Intermediate Department of the Sunday School in charge of Mrs. T. J. Meagher, enjoyed a hard times party. About fifty boys and girls were present and all co-operated to make it a consistent exhibition of poverty. Picturesque rags and patches were much in evidence, mis-mated shoes, stockings ditto and darned in, many colors, hats badly dented and otherwise in disrepute. A suitable setting had been provided by covering the floor with rag rugs, and the use of a curtain for a table spread, floral decorations being everlasting flowers. Each guest was presented with a boutonniere of everlastings, which made a hit.

An informal program of music and games entertained the guests and when the time arrived for the serving of refreshments they were lined up and given plates, each of which bore a single graham cracker which they were told to carry to the kitchen to get a cup of pure cold water. On arriving at that rendezvous, however, they had the pleasant surprise of receiving hot chocolate and home-made cake.

Mrs. Meagher was assisted in receiving and entertaining the intermediates by Mrs. H. V. Brown, Miss Kitterman and Miss Lanning.

Mr. and Mrs. Charles L. Walker and son and Mrs. Lillian B. Walker of Bloomington, Ind., are guests of Mrs. J. W. Elliott of 1005 North Central avenue.

CLUB SITE CHOSEN

TUESDAY AFTERNOON CLUB SELECTS CLUB HOUSE LOCATION, ELECTS OFFICERS

A sort of family gathering was the meeting of the Tuesday Afternoon Club this week, for it was the session at which reports for the year were received and officers elected. The auditorium was well filled and the greatest of interest manifested. No program was provided and none was needed. The session was prolonged by important business matters in spite of every effort on the part of the efficient president, Mrs. Tower, to stimulate prompt action.

Reports of officers, chairmen of standing committees and section curators showed that the club is very much alive and that its activities are well directed and being pushed along all worthy lines. While the instruction and entertainment of members is a subject of prime consideration to which an able program committee gives careful and serious attention, the club also lives up to its duty in promoting worthy enterprises along civic and philanthropic lines as shown by the reports of its chairmen of Philanthropy, Local Relief, Juvenile Protective Association and Civics.

The report, made by Mrs. John Robert White, treasurer, indicated that the organization now has a membership of over 400 and that 83 new members have been enrolled this year. By the next meeting she will have received complete returns from the Ways and Means Committee and will be prepared to announce the receipts and expenditures and balance in the treasury which is understood to represent a goodly sum.

Considerable time was consumed in consideration of and action upon the report of the committee for the revision of by-laws, presented by Mrs. P. S. McNutt. They were voted upon separately and all were adopted except one making the chairman of the year book a member of the executive board. The other changes were of a minor character to make the by-laws conform to the practice of the club.

Facing the audience all this time had been posters setting forth the details of four different offers of club house sites and before the subject was disposed of a fifth proposition was reported. These were now presented. No. 1 was the proposition to buy the house and lot owned by Miss Porter on Harvard street adjacent to the club.

A final auto excursion and picnic in their honor took place Sunday which included a luncheon in Topanga Canyon and a tour which took in Santa Monica beach and a wide stretch of country. The party included Mr. and Mrs. Groutage, Gilbert Groutage, Miss Annie Chapman, Mr. and Mrs. George Gardner, their son, Carl Gardner, Miss Hattie Sampson of Los Angeles, Miss Armstrong, also of Los Angeles, Mr. and Mrs. John Addison and Miss Knapp of Glendale.

J. H. Flower and family moved Monday into the new house recently completed at 1140 East Elk avenue.

The Bentley-Schoeneman Company is building a garage for John F. Quinn at 432 Arden to be used by him as a temporary residence.

F. D. Buckland is having built at 608 Geneva a garage, which he and his family will occupy as a residence until a dwelling house can be erected.

Howard S. Clewett has taken out a permit for the remodeling of the house at 526 East Windsor Road and the addition of three rooms to it, all to cost in the neighborhood of \$3000.

Miss Margaret Cross and her mother, Mrs. Cross, of Santa Barbara, who is her guest, were entertained at dinner and for the evening at the home of Mr. and Mrs. John Addison on North Belmont on Monday.

Mrs. Amanda Hartley of 231 N. Belmont, who had a light paralytic stroke a week ago last Sunday, is able to be up and around the house and yard again, though still somewhat feeble.

Miss Dorothy Webster of 205 East Acacia avenue, who was seriously ill for several weeks from overwork as a feature writer in the Ince studios at Culver City, is able to be up and around, but is not strong enough to resume her work.

Mrs. Gertrude B. Metcalfe-Shaw, who came here recently from London, England, has bought the 6-room house and 5 acres of ground at 826 Green street in the southeast part of Glendale. James W. Pearson made the sale.

A pleasant affair is being planned by ladies of the Congregational Church as a benefit for the building fund. It is named as a June Festival, in the announcement in another column, and will offer a free program and considerable in the way of refreshments which last will be for sale.

Mrs. E. H. Holt and little son and daughter, Milton and Doris, of Gridley, arrived yesterday to spend six weeks or more with Mrs. Holt's sister, Miss Nellie Warner. They were turned out of their living quarters by a sale of them, and will remain in Glendale till the new home now building is completed.

Mrs. Jessie B. Mock of 228 South Louise underwent a very serious operation at Westlake Hospital yesterday at 11 a. m. and came through it successfully, but there were many complications and her relatives will be very anxious about her for several days. If all goes on as is hoped the patient will have taken on a new lease of life.

D. B. Pingree and wife, after trying life in Pasadena for a few months, longed again for Glendale, where the most of Mr. Pingree's business is, so they have been industriously hunting a place to move into, for a few weeks past. They succeeded in renting the Olmstead place, 1429 North Pacific avenue, and will move in the latter part of the week.

Mrs. J. R. Sibley of 323 West Windsor Road has been spending a few days with a sister, Mrs. E. E. Redfern, on South Grand avenue, Los Angeles. Mrs. Redfern owns two large residence properties in the city, one on South Grand and the other on 75th street, just off Vermont. She hopes to sell both of them, buy a lot and build in Glendale, which she fell in love with while visiting Mrs. Sibley.

The extensive proportions of the new Broadway school building can now be judged as the outside walls, built entirely of hollow tile, are complete with the exception of the plaster coating. The studding for the second story section of the building, and this is of comparatively small dimensions, has been raised and will soon be enclosed. This will be by long odds the most costly as well as modern school building in the city.

Mrs. Flora I. Bates, who has been living with her daughter, Mrs. W. D. McKee, 634 North Kenwood, for two years, left yesterday for Moline, Mich., where she will spend a few weeks with relatives, then go to Detroit for a visit with a daughter. She expects to visit in and near Cleveland, Ohio, also, before her return to Glendale in the fall. Mrs. Emma Bates, her sister-in-law, of Imperial, accompanied her on the trip and will spend the summer in Benzon, Mich.

John Verdugo is putting out 2000 White Yam sweet potato plants on the two lots at the southwest corner of Louise and Lomita avenue, and expects to raise a great many lux boxes of them. He plowed the ground twice, thoroughly pulverized with a harrow and then threw up wide ridges three feet apart, running a drag lengthwise of them to level them properly. He claims that thorough preparation of the ground, frequent and regular irrigation and systematic cultivation until vining forbids are necessary to a good crop.

L. W. Baganza has taken out a permit for the erection of a five-room house and a garage at 429 W. Windsor Road. He has sent to New York for a lot of art glass he has had stored there and this he will use in the windows and some of the doors.

Business Manager Irving Oliver of Glendale Union High School states that Robert Jensen has generously offered the use of the Palace Grand Theatre for the commencement exercises of the school and the Board of Trustees has accepted the offer. The exercises will take place on the evening of June 24th, and the speaker will be Stanley D. Wilson of Los Angeles, president of the State Board of Education.

Frank Chase, former owner of the Glendale Press, spent several days in this city last week and when he went back to his ranch in San Diego county his father accompanied him. He has recently purchased another ranch of 80 acres giving him 220 acres all told. His brother, Harry Chase, is going down to spend the week-end with him returning Monday or Tuesday. The Chase property is described as nine miles from Campo and about forty miles from San Diego, not far from the new railroad into the Imperial Valley.

REV. COLE IN SUCCESSFUL TRIP TO PASO ROBLES

Rev. C. A. Cole arrived at home Monday at midnight from his trip to Paso Robles in the interests of the new School of Christianity, for which he was enabled to secure pledges amounting to about \$2000. He found W. J. Stone, former Glendale resident, working hard on his big fruit and almond ranch, which now consists of 500 acres, he having recently sold 65 acres. He is offering it all for sale in small tracts, having given a big real estate firm a two-year option, said firm to subdivide and sell it. In the event that it is all disposed of in the two years the Stones will return to Glendale, according to present plans.

MEETING OF TEACHERS' CLUB

The Glendale City Teachers' Club met Tuesday afternoon at 4 o'clock in the Intermediate School building for the election of officers. Miss Clara Midcalf was the choice for president; Miss Carrie Noble for first vice and Miss Loraine Mitchell for second vice; Miss Mary Circle was chosen recording secretary; Miss Ida Corey, corresponding secretary, and Miss Emma Saxton, treasurer. A very important item of business was the electing of a delegate to the N. E. A. convention, which meets at Salt Lake City July 4th to 12th. Miss Midcalf was elected.

The benefit performance at Palace Grand last evening under the auspices of the Colorado Street Parent-Teachers' Association netted something over a hundred dollars, which sum will go into a fund for the purchase of a Victrola to replace the one stolen from the schoolhouse last year.

The trouble King Emanuel is experiencing in getting another cabinet reveals that the service of public ministry is losing some of its attractiveness in the post-bellum days.

THREE ELECTRIC SIGNS NOW POINT WAY TO GLENDALE'S CENTER

Large electric signs now point the way cityward at three gateways—both ends of Broadway, and at Brand and San Fernando Road. When all are lighted up autoists from east, west and south at night can hardly miss the city. Red arrows pointing toward the city, with the word "Glendale" on them have been mounted at Brand and San Fernando Road and at the West Broadway entrance. Both point to the heart of the city, and the one first named has given some offense to residents of old Tropic living along the San Fernando Road, they saying that another arrow should be placed, pointing up that thoroughfare, for they are a part of Glendale, too. But it was explained to them that signs like that are always supposed to point to the center of a city, not toward the outlying districts, so it is thought the little controversy has been amicably settled.

MISSIONARY FEDERATION MEETING

There was an excellent attendance at the meeting of federated missionary societies of Glendale which was held Monday afternoon at the Glendale Congregational Church. Mrs. La Porte of Eagle Rock, president of the Federation, occupied the chair and Mrs. Mottern, secretary, took the minutes of the meeting. Reports from the various societies represented of their work for the past year were given. Mrs. June Huskins of the Glendale Presbyterian Church led the devotional exercises and vocal numbers were given by Mrs. G. D. Roach, who sang "Prayer Perfect," by James Whitcomb Riley, and "Come Unto Me" from the Messiah. Mrs. Wright playing her accompaniment. Mrs. Roach represented the Glendale Congregational Church. Speakers of the afternoon were Mr. and Mrs. Thomas Youngken, who gave interesting accounts of their work in Africa.

BIRTHDAY DINNER

Mrs. Belle Bennett of 232 South Jackson entertained Sunday with a dinner for her father, Thomas Archer, in celebration of his eightieth birthday. Her home was beautifully decorated with roses, the table being centered with Cecil Brunners and a delicious meal of several courses was served. Following the dinner the party enjoyed an auto ride. The guest list included Mr. and Mrs. Thomas Archer, Mr. and Mrs. C. F. Archer, Mr. and Mrs. George Scott, Mr. and Mrs. Glen Archer, their little daughter Nita, Clifford Archer from Pullman, Washington, who is taking a course in osteopathy in Los Angeles, Lyle Archer, Leslie, Howard and Cecil Bennett, Mr. and Mrs. Warren Roberts.

Grandmother would have thought it shiftless to send out the weekly washing except in case of sickness in the family. Life was not so complicated in her day. People lived more simply. The woman of the house has more outside interests today. So she sends the weekly washing to the Glendale Laundry and saves herself the disagreeable experience of wash-day in the home.

CLUB SITE CHOSEN

(Continued from Page 1)
joining the corner lot owned by the club at Harvard and Kenwood. The proposition was \$5000 with tenancy of present owner for one year. In the event of purchase the proposition was to move the house to the lot owned by the club across the street on Harvard and thus facilitate the sale of that lot. It was estimated that this removal and repair of the house could be accomplished for \$1000. The figures were challenged by some members who argued it would be better to sell the club lots outright and then buy elsewhere on a cash basis. Mrs. Kinney, chairman of the Club House Site Committee, reported that real estate dealers had assured her the corner lot would sell for \$1500 to \$2000 and the inside lot for \$1000.

No. 2 proposition was on the north-east corner of Brand and California, representing 103x137 feet for \$5250. On the basis of \$2500 to be obtained for lots already owned the amount left for the club to pay on this site would be \$2750. Strong arguments in favor of this site were made on the ground of its central location, its intrinsic value when the club sought a bank loan, and its good situation for renting purposes.

The 3d proposition was for the corner of Harvard and Orange; objected to as being too much of a garage and automobile center.

The 4th site was on Central avenue and Oak street, 150 by 210 feet, which did not appear to meet with favor.

The 5th consisted of the two lots in the rear of the Christian Science Church priced at \$4700.

A vote was taken on each proposition separately, resulting as follows: No. 1, 23 votes; No. 2, 94 votes; No. 3, 1; No. 4, 11; No. 5, 16. As the popularity of the Brand and California site was very apparent, a vote to instruct the Board of Directors to take the necessary steps to purchase that site was taken and then the vote of members present was taken by roll call. It was explained that the vote of two-thirds of the club membership must be obtained to authorize the Board to purchase real estate under the provisions of its charter. About half the votes were secured at the meeting and the balance of the 250 votes will have to be obtained by canvass in person or letter. Club members gave evidence of great satisfaction in the settlement of the question of a club site which has been so long considered and so hotly debated.

During all this time the ballot box had been open to receive the votes of members for officers for the ensuing year, the officers of election being stationed in the entrance hall. Following the disposition of the club site proposition the report of the election was presented and the names of successful candidates were announced by Mrs. Tower as follows:

President, Mrs. E. H. Willisford.
First Vice-President, Mrs. Charles Temple.

Second Vice-President, Mrs. Mabel Franklin Ocker.
Recording Secretary, Mrs. Walter Stamps.

Corresponding Secretary, Mrs. Mabel Rudy.
Treasurer, Mrs. A. M. Hunt.

Member of Board of Directors, Mrs. John Robert White.

The election was of more than ordinary interest because there was competition for all the offices, all the leading candidates making a good showing.

Big Value in Tires for The Smaller Cars

Back of the manufacture of Goodyear Tires for the smaller cars is the same purpose to supply high value in the product that is behind the manufacture of the Goodyear Tires that equip the most expensive automobiles built.

This purpose is expressed by the enormous resources, extraordinary skill and scrupulous care applied to the manufacture of Goodyear Tires in the largest tire factory in the world devoted solely to the 30x3-, 30x3½-, and 31x4-inch sizes.

The effect of this endeavor is noted in the fact that last year more cars using these sizes were factory-equipped with Goodyear Tires than with any other kind.

It is also noted in the fact that if you own a Ford, Chevrolet, Dort, Maxwell, or other car requiring one of the sizes mentioned, you can secure Goodyear Tires and Goodyear Heavy Tourist Tubes at the nearest Goodyear Service Station.

30x3½ Goodyear Double-Cure
Fabric, All-Weather Tread..... \$23.50
30x3½ Goodyear Single-Cure
Fabric, Anti-Skid Tread..... \$21.50

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3½ size in water-proof bag..... \$4.50
